From

K. MATTHAN, Esq., B. A.
Food Controller & Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

I have the honour to submit herewith a copy of letter No.F.269 of the 26th ultimo from the Deputy Commissioner, Mysore, stating that there are large stocks of Burma rice for which there is no demand in some of the depots and asking for permission to sell it at 1½ seers more per rupee than the rate at which local rice is sold, i.e., at 5½ to 6 seers a rupee.

2. In spite of the fact that the indents of the Deputy Commissioners for supplies of Burma rice during the later months have been considerably cut down by me still some of them have large stocks remaining on hand. No doubt it was difficult for them to gauge accurately the probable requirements and many of them must have considered it safe to err on the side of keeping too much stock rather than having too little. The fact however remains that in several of the depots throughout the State there are larger stocks than can be disposed of at the cost price. I request orders of Government authorising the Deputy Commissioners to sell off the stocks quickly at the most favourable rates they can obtain. The rates will be fixed by me, or by the Deputy Commissioners personally after considering all the local circumstances.

3. In the case of excess stocks in the Heggadadevankote, Nagamangala, T. Narasipur and Malavalli taluks referred to in the letter of the Deputy Commissioner, I have after discussing the matter with the District Economic Superintendent, Mysore, authorised the sale of the rice at 5½ seers a rupee and request that this may be approved.

4. The Deputy Commissioner, Kadur district, in his letter No. F.C.178 of the 5th instant, has asked permission to sell Burma rice in the Koppa taluk at the rate of 6 seers a rupee. The President, Chikmagalur Municipal Council, has also reported that there is no demand for Burma rice and has proposed that the rice may be disposed of at 5½ to 6 seers a rupee. I have, in anticipation of sanction of Government, written to the Deputy Commissioner that the rice may be sold at Koppa at 6 seers and at Chikmagalur at 5½ seers if it cannot be disposed of at a more favourable rate or with less loss to Government.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director
of Civil Supplies in Mysore.

Letter No. F.269/19-20 dated 26th November 1919 from the Deputy Commissioner, Mysore District, to the Food Controller and Director of Civil Supplies in Mysore.

With reference to your D.O. No.7315-22 dated the 4th November 1919, I have the honour to forward herewith as desired by you, a statement showing the stock of Burma rice in the several depots of this district, the quantity that may be disposed of etc. As may be seen from the statement about 1260 pallas of Burma rice is expected to remain on hand at the end of December 1919 after making due allowance for the quantity that may be sold till then under the present market condition. Of this, the surplus shown against the District Depot and the Mysore Taluk Depot and those at Krishnarajpet and French Rocks can somehow be managed to be sold away to local merchants without loss to Government, but it is found difficult to find demand for the stocks at Heggaddevankote, T. Narasipur, Nagamangala and Madavalli on account of the general impression that prices would go down considerably on account of the incoming harvest on the one hand and on account of the dearness of the stuff at Heggaddevankote and T. Narasipur as it was supplied from the District Depot where the actual cost price has come up to Rs 19-14-0 per palla. Any attempt to transfer the stock elsewhere would only increase the cost. I would therefore request that you will be so good as to obtain the general sanction of Government empowering me to order the sale of the surplus stock referred to at 1½ seers more than the rate at which the local rice is sold per rupee in the respective taluks. As prices are showing a tendency to further decrease, I request that very early orders of Government may be obtained in the matter to obviate heavy losses.

OFFICE OF THE FOOD CONTROLLER AND DIRECTOR OF CIVIL SUPPLIES IN MYSORE.

Bangalore, 17th December 1919

Tel:-Address. "CIVISUP"

16124

From

K. MATTHAN, ESQ., B. A.
Food Controller & Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of Mysore.

Sir,

In continuation of my letter No.A.3466 of the 10th instant, I have the honour to state that I have received to-day a telegram as below from the Deputy Commissioner, Mysore:-

"35 bags July allotment deteriorating Heggaddevankote. Please permit sales at six seers".

This evidently refers to Burma rice supplied to the Deputy Commissioner, Mysore on his indent, which he has sent to Heggaddevankote. As the rice is evidently very old, and there seems to be no chance of selling it at more favourable rate, I have in order to prevent further deterioration of the stock informed the Deputy Commissioner to sell the rice at the rate suggested by him, and request that the action taken by me may be approved.

I also beg to submit in original the Deputy Commissioner's memo No.F.269 of the 14th instant, received to-day requesting permission to sell the stock of rice in the Krishnarajpet depot (about 130 pallas) at 5½ seers a rupee and request that general permission to deal with such cases on the lines indicated in the concluding part of para 2 of my letter of the 10th instant referred to

to above.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Directo
of Civil Supplies.
